# How it Works

Meet with your veterinarian to develop a Standard Process® supplement plan that is right for your pet.

From there, the online purchase process is swift and smooth. When your plan is in place, **Patient Direct gives you access to order the supplements you need, when you need them.**

## REGISTER FOR A Patient Direct Account

1. Ask your veterinarian for their Patient Direct code. This code may not be shared with anyone.
2. Go to [standardprocess.com/patient-direct](https://standardprocess.com/patient-direct) and register.
3. Enter the six-digit code provided by your veterinarian and accept the terms of use.
4. Complete the application, which will be reviewed by your veterinarian.
5. Once approved by your veterinarian, you will receive an email notification that directs you to **create a website account**.

Once completed, you can sign in and use your Patient Direct account.

Scan QR code to register.
